

## Annual Action Taken Report of IQAC (2023-24)

The Action Taken Report by the Internal Quality Assurance Cell (IQAC) was prepared under the guidance of IQAC Coordinator, **Dr. Sunil K Katoch** and Principal, **Dr. Anil Azad** for the session 2023-24. The prime motive of the report was to exhibit the various outcomes of the suggestions/measures etc. advocated by the cell for the betterment of academic growth of the institution.

S. No.	Plan of Action/Event	Outcomes/Achievements
1	Starting of new course PGDCA	The necessary permission to start the PGDCA Course has been received from the HP University [60 Seats] and HP Government in this academic Year. The classes will commence from 2024-25 session.
2	GREEN AUDIT of the Campus	Green Audit enables colleges to examine and adopt the best measures for their campuses. The audit helps with self-evaluation and decision-making. Our college prepared green Audit Report in the month of March 2024 from the certified Company/Firm.
3	Construction of Security Guard Cabin	A cabin near the main gate of the college was constructed for the security guard. It has all the facilities such as light, fan, table, chair etc.
4	Alteration of Main Entrance Gate	The main gate of the college was overhauled and given better look so that it could reflect the true picture of the college and its importance.

5	Placement Drives for the students of the College	During the academic year, the college organised placement drives for the students of the college. The students of this college also participated in the placement drives organised by neighbouring institutions. Many students got offers for the job.
6	Commencement of PG Courses	This year college also has the privilege of starting two new PG Courses in the subjects of ZOOLOGY and HINDI.
7	Organisation of Faculty Development Programme (FDP)	The college also organised One Week long <b>Faculty Development Programme (FDP)</b> in the month of December 2023. About 250 participants scattered throughout the state and country, took part in this academic event.
8	International Conference	An <b>International Conference on Resilient Futures: Adapting to Climate Variabilities in Agriculture, Economy, and Environment</b> was organised under the guidance of IQAC and Research & Development Cell, on the 29 <sup>th</sup> day of December 2023. About 250 participants scattered throughout the India and other countries, took part in this academic event.
9	International Workshop	An <b>International Workshop on Role of Communication Skills in Career Development</b> was organised under the guidance of IQAC and Research & Development Cell, from 19 <sup>th</sup> March to 23 <sup>rd</sup> March 2024. About 400 participants scattered throughout the India and other countries, took part in this academic event.
10	Seminar	A seminar on <b>“Latest Technologies and various career opportunities in the field of Technology”</b> was organised for BCA and BBA students on 05/10/23.
11	CCTVs	The CCTVs were also increased in numbers to enhance the surveillance of the institution.
