

Road Safety Club Quiz Competition

Date: December 28, 2024

Venue: Conference Room, SCVB GC Palampur

1. The Road Safety Club of SCVB GC Palampur organized a quiz competition on December 28, 2024 with the aim of promoting awareness and knowledge about road safety among students.
2. The event saw participation from four teams, and around 60 students from various disciplines and academic years have participated in the function. The enthusiastic involvement of the students underscored their interest and concern regarding road safety issues.
3. The quiz competition was conducted in a lively and interactive manner, with questions covering various aspects of road safety, including traffic rules, signs, and safety measures. The teams displayed commendable teamwork, quick thinking, and knowledge as they competed for the title.
4. Dhanbir Singh, Assistant Professor Geography, of SCVB GC Palampur, graced the occasion as the chief guest. His presence added significance to the event and served as an inspiration for the participants.
5. The quiz competition organized by the Road Safety Club proved to be both educative and engaging, contributing to the overall awareness of road safety among the student community. Such initiatives play a crucial role in fostering a culture of responsible citizenship and safety consciousness on the roads.
